Tuesday 29th December 2020 6pm

Present via TEAMS: Cllrs, Andy Collett (chair), Nicholas Scallan, Barry Frampton, Paul Warwick, David Pain, Sue Herdman, Doug Smith and Debra Cheetham

No special announcements from the chair

No disclosures of interest or request for dispensation

- 1) Proposal from Cllr Pain on behalf of the finance committee

Resolution: The Parish Council is requested by the Finance Committee to approve the amended budget and Precept as in the Excel spread sheet document "Budget 2021-22 V2 22.12.20.xlsx" (attached to these minutes).

Council discussed and agreed a budget at the December meeting which had been prepared on the basis of the figures available to the finance committee at that time. Subsequently Winchester City Council issued the figures for the council tax base 2020 which were substantially different to that of 2019 on which Version 1 of the budget was based.

If council continues with Version 1 of the budget this would necessitate an increase in the precept of 4%. The revised budget ensures that the increase in the precept is limited to 2% which council have previously indicated is their preference.

Revised budget proposed by Cllr Pain and seconded by Cllr Smith. Agreed unanimously.

Cllr Smith extended his thanks to Cllr Pain for his work on revising the budget.

Meeting closed at 6.15pm.
